Ministries for the Nations

Wesley! Greetings in the name of our risen Lord! Once again it is an honor to bring the Good News of Jesus, the anointed One and His anointing! Here in Indian country we refer to the anointing as the 'medicine' and Jesus is Good Medicine – Amen!

## Spiritual Authority Healing Medicine

Are the basic needs of life troubling you - needs for a better job; better marriage; healthy relationships? Are you on a 'fixed' income? Are you sick or in pain? Let me encourage you to take a fresh look at why Jesus came to this earth. Jesus himself tells us why in John 10:10: *"The thief cometh not, but for to steal, and to kill, and to destroy: I am come that they might have life, and that they might have it more abundantly"* Is living on a fixed income an abundant life? Are you waking up everyday with pain in your body? An abundant life is free from pain, sickness, disease, poverty. Healthy relationships start with a relationship with Jesus!

The most famous verse in the Bible is John 3:16 *"For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life"* KJV. Have you ever thought about when the everlasting life should start? Nowhere in the Bible does it say you have to wait till you die to enjoy an everlasting life. Believing this verse is key to obtaining a relationship with Jesus. A relationship with Jesus brings benefits. These benefits are an everlasting life that starts right now!

Let's take a fresh look at receiving an everlasting life of healing medicine (divine health). Of course we are talking about receiving this medicine through faith. Much has been said about 'faith' preachers. However, even the skeptics cannot argue with facts. In this newsletter we will look at the facts of one such faith preacher. His name was Reverend John G. Lake. Born in Canada, his family moved to the USA in 1886 when he was 16. At this age he received the medicine of Jesus at a Salvation Army meeting. It was in a Methodist Church that he first witnessed divine healing.

Lake spent time in Africa and returned to the USA in 1913 where he spent time preaching around the country until 1914. In early 1914, Lake traveled to England to attend a meeting with Pentecostal leaders. While in England, Lake founded the International Apostolic Council, based on the English organization, "The International Pentecostal Council". When Lake returned to the USA., he attended

the formation meeting of the General Council of The Assemblies of God. Lake ceased using the original name for his organization as to minimize confusion with the A/G. He then moved to Spokane, WA, in September of 1914 and began ministering in "The Church of Truth." After six months he opened his own building which he called "Lake's Divine Healing Rooms." He began training "Divine Healing Technicians" in an organization he founded, called: The Divine Healing Institute.

From February, 1915 until May, 1920, Lake and his "technicians" saw over 100,000 **confirmed healings**. The Rev. Cal Pierce of Spokane, Washington, reports that Lake was responsible for raising 625 churches and 1,250 preachers in five years of ministry! Lake believed that Spirit-filled Christians should enjoy the same type of ministry Jesus did while living on earth, and that this reality could only be accomplished by seeing themselves as who they are in Christ. Rev Pierce writes that John G. Lake lived his life and fulfilled his ministry in the earth with this type of spiritual understanding: *"If we would just grasp the reality of our position through Jesus Christ, as Lake did, every nation would ring with the praises of God."*

Why is *White Eagle News* focusing on a white man's ministry of healing? Because history tells us that **John G. Lake received his understanding of healing from a Native American Indian!** The Jesus way is the Native way – Amen! Is it not time for *all* born again, Spirit-Filled believers to rise up and be the teachers and the doers of healing the sick and oppressed?

**"....they will lay hands on the sick and they will get recover." Mark 16:18**

Creator poured out His Spirit on the day of Pentecost. He has not taken it back! The healing power of the first church did not die away! We have the same authority they did, God is not a respecter of persons! We should not be begging God to do something He has already done. Instead our prayer should be *"Forgive us Father, for not allowing your power to flow through us."* Revival starts inside your heart. Make a decision today to receive the medicine of Jesus and lay hands on the sick. The Bible says in **Mark 16:18** that *"...they will lay hands on the sick, and they will recover."* (emp CB) As a famous Hebrew carpenter once said *"Only Believe!"*

# SPIRITUAL GROWTH

Seek to mature in the Spirit so that because of use, your senses have been trained to discern both good and evil. Hebrews 5:14

## Jesus did not pray for the sick He healed them!

Do you want to know the truth about divine healing? Read this report with an open mind and teachable spirit and you will receive the truth! When Jesus told His disciples "*ye shall know the truth and the truth shall make you free,*" He wasn't referring to only an intellectual assent to the truth. He was referring to the *application* of truth, in the now. Only believe!

John G. Lake often said that the *secret of heaven's power was not in the doing, but in the being.* Born again Christians have a healing commandment from Jesus: "*...they will lay hands on the sick, and they will recover.*" (emp CB) We should receive this verse in our being. It should be second nature to see a sick person and have a desire to go lay hands on that person.

Lake's *Divine Healing Technicians* were ordinary people just like most of our readers. Here is a recent report about ordinary believers in Stephenville, Texas who dared to lay hands on the sick. This is from Brother Mike Tummillo's website *YourTown4Jesus.com*:

*A man is diagnosed with an incurable, hereditary spinal disease at age 28. He's told that he would be an invalid by age 50. In pain, walking with a cane, trying to sleep in a sitting position, he moves to Stephenville in 2001 to get closer to his children so they can help him. Today, at age 47, he's remodeling homes and living an active life. What happened?*

*Two years ago, a young man in his 20's is in a coma after a car accident. A woman from his town makes his situation known to a group in Stephenville, TX, who makes this a matter of prayer. His family eventually "pulls the plug" but the man does not die. The group in Stephenville decides to visit him, lay hands on him in his nursing home room and pray and sing and anoint him with oil. Shortly afterward, he begins talking, moving and, today, he's married. How so?*

*A young Christian woman attends a Bible Study with this group in Stephenville and requests prayer. As she is being prayed for, tears rolling down her cheeks, she suddenly raises her head and growls, "She doesn't deserve it! She doesn't deserve it!" After several hours of prayer accompanied by demonic manifestations, her countenance is completely changed. These days, she's happily married, pregnant with her first child, with a wonderful disposition. What happened to her?*

*What do all these cases...and others...have in common? They were all healed and delivered by the prayers of Christians who believe that Jesus still heals the sick and oppressed.*

## Healing Prayer Clinics

The group that ministers healing in Stephenville, Texas received its training through Rev. Cal Pierce's ministry as well as the personal ministry of Brother Robert Fitts from *Outreach Fellowship International (OFI)*. Additional training and impartation came from a group of women from **Coppell** (OFI) who spent a day at *Vanderbilt Place* training 30 individuals who attended their session. Cal Pierce currently has established over 600 Healing Rooms throughout the world. Brother Fitts just opened many healing prayer clinics in Monterrey, Mexico, and Texas.

These and other ministries are training up the saints for the work of the ministry. We have witnessed healings on Native American Reservations, Mexico and Stephenville. Jesus still heals in cities like Coppell, TX too!

You can receive this same kind of training, regardless of your denominational affiliation. If you would like more information on how you can receive this training in your area, please contact this ministry at the address on the next page. Wado and God Bless! Copywrite © 2007 Chari Bouse

Statistically, doctors are approximately 9,000 times more dangerous than gun owners!

Fact: Not everyone has a gun, but almost everyone has at least one doctor!

Out of concern for the public at large, I have withheld the statistics on Lawyers for fear the shock would cause people to panic and seek medical attention. 😊

# Christmas

*An Anointed Celebration!*

We shared a Christmas story a couple of years ago that is still one of the most popular downloads from our website. As this Christmas season approaches we hope that this story blesses you as it has so many others from around the world:

## A Tribe's First Christmas

In the early 20<sup>th</sup> century many folks living on reservations did not speak English. It was hard for the men to find jobs outside the reservation because of the language barrier. However, there was one man that did learn English and worked at a day job in the nearby town. When the season of Christmas approached he described what he had seen on the streets of the town. He told the people that in the outside world there was a celebration that went with something called *Christmas*. The reservation people gathered and decided that they too would celebrate.

The tribe did not have a community building so they met outside, in the evening, in the normal gathering place. This was a major event and all the community was very excited. There was cheer, friendships, and the sharing of what little provisions each family could share.

The real reason this tribe remembers this night was the tribal Christmas tree. Actually it wasn't really a tree, it was a decorated Manzanita bush with colored ribbons on the branches, lighted by surrounding campfires and twinkling stars. Today as families of this tribe gather around a fur tree that has the plastic decorations and twinkling electric lights, the Elders will stare at the tree and remember back to a simple Manzanita bush tied with colored ribbons. They will tell of how in the dead of winter, in the darkness of night, to a simple isolated village of people the Word finally arrived:

*"I bring you tidings of great joy"*

*Manzanita Bush*

**Merry Christmas**

We encourage all our readers to remember the real reason for this season. The best gift mankind can receive is the gift of eternal life that our Creator provided for us. It all started on a very silent, very Holy Night, over 2000 years ago!

## A Ministry of Faith

Over 500 years ago when the first Europeans came here to "evangelize" the Natives, they came with Biblical ignorance (lacking knowledge). Their message was that there must be a cultural or outward change before a person could come to the Father in Heaven. The results continue to be devastating as very few First Nations people have come to Christ.

This ministry and others have a simple message: You can serve Jesus just the way God created you! He loves you the way you are and does not require that you change your culture before you can receive the free gift of His salvation through Jesus Christ. Our message, based on the Gospel of Jesus, does not demand a change of culture, but a change of heart and by faith, the receiving of Christ's forgiveness and the work of the Holy Spirit. We focus on keeping the main thing - the main thing - Amen!

**White Eagle News encourages all nations to read the Bible and let the Holy Spirit of our Creator reveal life-changing Truths. You will learn that you can follow Jesus - the way God made you!**

### To enter the Blood Covenant

*(To follow the Jesus Way)*

If you would like to make the wonderful decision to follow the Jesus Way, simply pray this prayer: Heavenly Father, I come to You in the Name of Jesus. I pray and ask Jesus to come into my heart and be Lord over my life according to His Word in **Romans 10:9-10**. I confess that Jesus is Lord, and I believe in my heart that God raised Him from the dead.

Lord Jesus, fill me with the power of your Holy Spirit as your word says in Acts 1:8, and I will never be the same! AMEN!
