Ministries for the Nations

*C*ongratulations and Happy New Year! 2007 proved to be the Year of the Open door, but just because the year is over doesn't mean the door has been closed. Doors that were previously closed are opened wide before us. We must now step *beyond the open door* and receive the completeness of Creator's blessings!

Scripture confirms that walking in the blessing of God is our choice. Just like walking through an open door; no one can make us take the first step; it must be our decision alone. In short, this takes faith. Let's look at Romans 15:29 where the Apostle Paul writes "*And I am sure that, when I come unto you, I shall come in the fullness of the blessing of the gospel of Christ.*" (emphasis mine) Paul was sure that he would be walking in the fullness of the blessing of the Gospel of Christ; he had faith; no doubts and no favoritism!

You may have heard religious folks tell you that sometimes God blesses you and sometimes he does not. Does God turn on and off His blessing valve? Are they just acts of His Sovereignty? Yes, God is Sovereign but...the big 'but' here is - He is Sovereign to His Word! That means He will not do something against His Word. If He did that would make Him a liar. Creator can not lie. He tells us this in His Word too. (Numbers 23:19)

God wants to bless you, He wants you in health and prosperity and not sometimes, but all the time. To receive the completeness of the Blessing will take a renewing of the way you think. That can only come by the Word of God. (Romans 12:2)

2008 has been prophesied as the Year of New Beginnings. We are coming into New Things. Things not new to the Lord but new to us. A new way of thinking will produce a new level of blessings. Let us encourage you to be like the eagle so that you can begin to receive in a new way; the Jesus way! Many tribes have wonderful stories about this magnificent bird and how it represents a link between Creator and man.

The Hebrew tribes have an interesting story about the eagle too. Jewish tradition tells the story of an immortal

Beyond the Open Door Receive the Blessing

eagle that flies straight up toward the sun once every 1,000 years. Its feathers are burned off and it falls to earth, where it regenerates its wings. It's a strange tale. If the eagle is going to live forever, why bother renewing its wings every millennium? Why not just live forever with the same pair of wings?

A wise person answered: to teach that every human being needs to learn to renew themselves. And the eagle knows the secret of how to do it. When it's time to renew, the eagle heads heavenward, toward his root in high places.

The key to personal renewal is the ability to strengthen your connection to the source - to Creator God. At one time or another, most of us feel worn down or used up, or disconnected from our true selves. But God is

always wanting to show us something new. Connecting to His Spirit can regenerate you.

Recognizing that your born again spirit is connected to something that is infinite and always new gives you the ability to return, and understand the reason you were created. Though circumstances around you may be grim, the part of you that is connected to the Divine (your spirit) stays pure and has the power to recharge your soul (mind, will and emotions). **2 Corinthians 5:17-21**

Plugging back in requires submitting yourself to God in a new way and that requires personal humility. The people who will allow the Holy Spirit to teach them as they read the Bible are the ones who will be able to renew themselves.

Make a decision this New Year to renew your mind to the ways of Creator. What are the ways of Creator? In Matthew 6:10 Jesus prayed "*Your kingdom come. Your will be done On earth as it in heaven*" We know that in Heaven there is no sickness; disease; depression; obesity; addictions or poverty, so these things should not be so *for us* here On earth either!

Make the decision to take your authority over these problems today and begin to walk on the path of Creator. His path leads to health. His path leads to a sound mind. His path leads to freedom and His path leads to prosperity!

SPIRITUAL GROWTH

Seek to mature in the Spirit so that because of use, your senses have been trained to discern both good and evil. Hebrews 5:14

WHO ARE YOU?

Who are you? What is your identity? Your occupation may be that of a steel mill worker, a clerk, a doctor, nurse or a housewife, but that is not your identity. A born again believer must identify themselves as who they are in Christ Jesus. Your identity is who you are in the Spirit!

Did you know that there are believers that are suffering from sickness and disease while the authority to overcome these afflictions lies dormant within them? Did you know there are believers overcome by depression, anger, and additions while their spirit possesses God's love, joy and peace?

Why? Because they don't understand what happened to them when they gave their life to Christ and therefore have difficulty receiving the blessings of God. Scripture tells us that the every born-again believer has undergone a complete inner transformation. **II Corinthians 5:17** tells us: *"Therefore if any man be in Christ he is a new creature, old things are passed away; behold all things are become new."*

What is a new creature? Did your body get born again? No. Did your emotions get born again? No. It is your Spirit that is now born *from above* (actual Hebrew translation), John 3:6. Very few believers have a functional understanding of spirit, soul, body in their daily lives. Most only understand the body and soul parts. They see the soul and the spirit as the same thing. Your spirit is your innermost part, not your "immortal soul." **I Thess 5:23** makes this very clear. Hebrews 4:12 tells us that the Word of God will divide the spirit and the soul.

You are a Spirit; You have a Soul; You live in a Body!

Understanding spirit, soul and body is critically important to every believer. For some it is a matter of life and death! You can not contact your spirit through your five senses or through your old way of thinking. Your spirit is now as perfect as it ever will be. You now have the mind of Christ and the Wisdom of God, **I Corinthians 2:6-16**.

God's Word reveals spiritual reality. You can not see your spirit but the Word of God is the reflection

of who you really are! Do not rely on emotions or circumstances. Think of your soul like faucet valve. The way you think can literally stop the healing power of God from flowing to your body. Learn to open the valve of your mind to the blessings of God. Then you will experience healing, deliverance, anointing, power, joy, prosperity and so much more!

The Christian life isn't a process of "begging God for things." It is a process of renewing the mind and learning to release what you have already received!

Understanding Spirit, Soul, & Body unlocks the Spirit realm so you can experience what you have in Christ!

The first step on the path of drawing closer to God is to realize that you know God through His Word. Time spent meditating in the New Testament is time spent with Jesus! Again, do not rely on your "feelings," that just will not work.

Letting the Word dominate your thinking is to allow the Holy Spirit to have control over your mind. As you do that, your feelings will soon come in line to the real you, who you are, in the Spirit! Galatians 5:22-26 tells us the benefits of identifying with the Spirit: *"But the fruit of the Spirit is love, joy, peace, longsuffering, kindness, goodness, faithfulness, gentleness, self-control. Against such there is no law. And those who are Christ's have crucified the flesh with its passions and desires. If we live in the Spirit, let us also walk in the Spirit."* NKJV

May you walk in the Spirit and experience the fullness of the Blessing this New Year!

Merry Heart does good like a Medicine:

A wagon train is heading across the desert, when all of a sudden the wagon master notices that on all sides of the valley, there are Indians. He quickly forms the wagons into the "Hollywood" circle to protect the families in the train. Nothing happens. They wait more and still nothing happens. Soon, drums are heard pounding out in the distance, BOOM, boom boom boom, BOOM, boom boom boom.(the famous Hollywood movies drumbeat) The wagon master tells the train, "I don't like the sound of this...." From out in the distance comes another voice, saying, **"We don't like the sound of it either. He's not our regular drummer!"** 😊

Words of Encouragement for the Nations

A report from one Nation's correctional department is that they only have 61 beds for 38,540 adult inmates and was recently denied approval for funds for more beds. Their correctional officers are afraid to report crimes as they know the offenders will not be arrested. Other nations report similar problems. Don't let the report of bad news bring you down. We have hope! Hope of a new life with Jesus our Lord! **Rise up as the eagle: Isaiah 40:21-31.**

The Holy Spirit may be telling you to give up some things. Elements you have been holding onto that HE has told you to let go....let go now...no, no, no, you will not die as you have been told, but you shall live! No longer will you walk with one foot on one path and the other foot on the other path. This will destroy your soul. Make the decision to walk down the Jesus Path with both feet and your life will be whole!

Rise up with the eagle and take your place to change your world. We are coming into new things. The below is a prophecy that I encourage you to meditate on during the first few months of this year and see these new things manifest!

We're Coming Into New Things:

Glory to God. I heard these words: We're coming into new things. Oh, not new to the Lord, but new to you. New ways of ministering. New ways of operating. Oh, they've been around a long time, but new to you. New to you and effective and powerful. The manifestations of the gifts of the Spirit on a new level, and a restored level and an increased level; the spirit of seeing and knowing, the spirit of discerning and understanding, the spirit of faith and the spoken word of power. The manifestation of the spirit and stronger ways of ministering. Hallelujah! And the glory will be great and the results will be wonderful. Hallelujah! And the kingdom of God advanced in Jesus' Name. Thank you, Lord!

Health News: If you drink one to two regular sodas a day you have about a 33% chance of becoming obese. If you drink one to two diet sodas a day your chances of becoming obese rise to almost 54%....go figure!

A Ministry of Faith

Over 500 years ago when the first Europeans came here to "evangelize" the Natives, they came with Biblical ignorance (lacking knowledge). Their message was that there must be a cultural or outward change before a person could come to the Father in Heaven. The results continue to be devastating as very few First Nations people have come to Christ.

This ministry and others have a simple message: You can serve Jesus just the way God created you! He loves you the way you are and does not require that you change your culture before you can receive the free gift of His salvation through Jesus Christ. Our message, based on the Gospel of Jesus, does not demand a change of culture, but a change of heart and by faith, the receiving of Christ's forgiveness and the work of the Holy Spirit. We focus on keeping the main thing - the main thing - Amen!

White Eagle News encourages all nations to read the Bible and let the Holy Spirit of our Creator reveal life-changing Truths. You will learn that you can follow Jesus - the way God made you!

To enter the Blood Covenant

(To follow the Jesus Way)

If you would like to make the wonderful decision to follow the Jesus Way, simply pray this prayer: Heavenly Father, I come to You in the Name of Jesus. I pray and ask Jesus to come into my heart and be Lord over my life according to His Word in **Romans 10:9-10**. I confess that Jesus is Lord, and I believe in my heart that God raised Him from the dead.

Lord Jesus, fill me with the power of your Holy Spirit as your word says in Acts 1:8, and I will never be the same! **AMEN!**
