## 2008 A Year of New Beginnings Receive the fullness of the Blessing

*W*esyo (formal greetings) in the mighty name of the Lord! Turn on the TV, radio or internet right now and you will see or hear nothing but bad news. Reports of earthquakes, fires, murder and even the price of oil is threatening the very life style of “plush Americans.”

Why did Creator God send His son to earth? **Luke 4:18** says He was sent to preach the “Good News.” Do you want to hear some good news for a change? Jesus tells us in John 10:10, “*The thief does not come except to steal, and to kill, and to destroy. I have come that they may have life, and that they may have it more abundantly.*” (NKJV – emphasis mine)

Jesus came to give us an abundant life. Are you sick, in poverty, suffering from bad relationships, addictions, etc? If these things are **stealing** your joy, **destroying** life as you know it or even **killing** you, then let me encourage you to **hear** the good news that Jesus is talking about. **Romans 10:17** says that faith comes from **hearing** the Word of God. Jesus came to give believers a life of abundance. This includes happiness in relationships, health, wealth (yes, wealth), freedom from addictions, haunting voices of the past and any other thing that is stealing your joy.

### Words - revisited: Death and Life are in the power of the tongue!

In our last periodical, we touched on the power of the tongue in **Mark 11:23** “...*he will have whatever he says.*” **Proverbs 18:21** also tells us that death and life are in the power of the tongue. Have you ever noticed that a person’s life largely reflects the fruit of his tongue? What does it mean to *speak life* or to *speak death*? To *speak life* is to speak God’s perspective on any issue of life. To *speak death* is to declare life’s negatives. To declare defeat or to complain constantly is speaking death.

Jesus backs this up by telling us in Matt 12:37, “*For by your words you will be justified, and by your words you will be condemned.*” What words are you speaking about your situations? Are you speaking life-God’s way of dealing

with it? Or are you speaking death, declaring negative attitudes or complaining constantly?

For some this is an old teaching in a different light, but for most of our readers this will “stretch” your way of thinking. If you can read this with an open mind, you will let God out of your “box” and enable Him to pour out a blessing on your life! *Doesn’t that just tickle you to life?*

Even as a child I never liked the phrase “*that just tickles me to death, or I just love them to death.*” Such common phrases are used in the world today, yet many believers never realize what they are saying. They are speaking death without even a second thought. The good news is that it is not too late. Simply repent and ask Creator to wipe out those words and start speaking life into your situation. Don’t “call it like it is”. The world can do that. Call those things that are not as though they are! (Rom 4:17) If you are sick, declare that the Word says you are healed! (1 Peter 2:24) If you are suffering an addiction, declare that you are free because Jesus came to set the captives free! (Luke 4:18) These are ways to speak life over you and your loved ones.

Our WORDS make us or break us. Our WORDS heal us or make us sick. The WORDS we spoke yesterday made life what it is today. Your words, good or bad, will come to pass in your life! This is not talking about the WORDS you speak on Sunday mornings in church or even the WORDS you use when you pray. This spiritual law applies to everyday life.

In his book on “Words,” Brother Kenneth E. Hagin wrote that everyday Words do three things **to** you and **for** you:

1. The WORDS you speak identify you.
2. The WORDS you speak set the boundaries of your life.
3. The WORDS you speak affect your spirit or your inward man.

***If you want to locate yourself, just listen to the WORDS you speak. You will never realize anything beyond the words you speak. You will never have anything beyond your own words.***

# SPIRITUAL REVELATION

Seek to mature in the Spirit so that because of use, your senses have been trained to discern both good and evil. Hebrews 5:14

**"...a double-minded man, unstable in all his ways" James 1:8**

Believers are suffering defeat because of their *double confession*. They pray in church on Sunday mornings that "The Lord is my shepherd; I shall not want" or "My God is supplying me with all of my needs according to his riches in glory, so God is going to provide." But then on Monday morning at work when asked about their situation they speak words of "we're not doing well at all, we are so behind on our bills, etc..." The words of life on Sunday morning were just cancelled out by the words of death on Monday morning.

No, this is will not be easy, but it will work if you do not give up! **Galatians 6:9** says we will reap what we sow if we do not give up! Will your family criticize or even persecute you? Will your friends think you are nuts? Your family you can't change, but you do have a choice in the friends you keep. If you don't have friends that are bible believing, Jesus-loving speakers of life, then you just may need new friends!

A frequently asked question is "But what about my Aunt Sally Sue? She had more faith than anyone in our church and she died of cancer anyway, why didn't this work for her?" First, the Bible tells us that we are not to compare ourselves to others (2 Corinthians 10:12). Second, to always try to figure out why someone else's faith didn't work will only knock down your own faith. The best answer in scripture is found in **Deuteronomy 29:29**: "**The secret things belong to the Lord our God, but those things which are revealed belong to us and to our children forever, that we may do all the words of this law.**" (NKJV emp. mine) It is true that we will not know some things until Jesus comes back. But, (and here is another big "but") the things that **God has revealed** to us belong to us and our children forever that we may do all of HIS WORDS!

**God has revealed** to us that your death and your life are in the power of your tongue! **God also revealed** in **Proverbs 15:4** that "A wholesome tongue is a tree of life, but perverseness in it breaks the spirit." The word "wholesome" comes from the Hebrew word "marpe" and it means health, healing, cure or of sound mind. The Amplified Bible has a more accurate translation of this verse: "A gentle tongue with its **healing power** is a tree of life, but willful contrariness in it breaks down the spirit."

## United We Stand!

### **Mega Churches-Ministries under attack from U.S. Senate:**

After reviewing the resent attacks on several ministries and mega-churches by the U.S. Senate there is an issue that needs to be disclosed to all believers in our Lord Christ Jesus, across all denominations and fellowships.

### **Here is a report courtesy of Assemblies of God International Fellowship:**

*"The current Senate probe of select mega-church ministries seems to be crossing a legal boundary. Politicians enact laws to separate Church and State which many think to be unconstitutional and then try to intrude into Church affairs while denying the Church discussion of State (political) affairs. This sounds like a one way street in favor of the State. However, since the State created the I.R.S. to collect and oversee tax matters and also enacted laws granting tax exemption to Churches - the I.R.S. should be the entity conducting an investigation. Therefore it seems that Rev. Copeland is right in ignoring the Senate's investigation of Church affairs but pledging to fully cooperate with any investigation by the I.R.S."*

As a former tax manager I can see the far reaching effects of this investigation if the Senate is allowed to obtain the information they are seeking. This is not just an issue of separation of church and state but also one of protecting your privacy.

If the IRS performs this investigation then taxpayers are protected by section 6103 from public disclosure of private information. However, if this information is obtained directly by Senator Grassley's committee it could potentially be used in a manner that could harm or embarrass the Church (any church!), its preachers, members, partners, and friends. In simple words - **this could set a precedence of allowing your tithing and giving records to be made public!**

Even if you do not agree with the doctrines of these churches and ministries, let us still stand in prayer with them as they also call Jesus Lord and they are fighting for our (the Body of Christ) privacy too!

## Happy Birthday U.S.A.!

“...For we know that the Lord is always on the side of the right. But it is my constant anxiety and prayer that I and this nation should be on the Lord's side!” - Abraham Lincoln

As the Presidential elections approach, let us encourage all citizens of this great country to get out and vote. It is our God given right. It is what many men and women of our military died for. It is why our troops overseas are in harms way right now. Let us honor our God, our country and fallen soldiers by exercising this right in November! As always we encourage you to pray about the elections. Our founding father's were bible believing, praying, saints of God. Abraham Lincoln kept his Bible in the Oval Office and as you can see by his great quote, it was his daily guide!

If he were our President today, would Abraham Lincoln support abortion? Would he support same sex marriages? Would he seek to divide Jerusalem? Want to talk about change? His Presidency brought about one of the biggest changes in the history of this country, but he did it God's way! Research our candidates - their stand on these issues reveal who's side they will be on when big challenges arise. They will need to have God on their side. May America elect leaders that are on God's side - now that is something in which we can all agree - Amen!

### This July 4th we salute our troops and the Navajo Code Talkers - special warriors from the First Nations

The park near the Navajo Nation Administration Center features the graceful red stone arch for which the capital is named. The Navajo Nation headquarters and other government offices were built close to this mystical rock formation.

More recently, the Navajos built a Veteran's Memorial at the base of Window Rock to honor the many Navajos who served in the U.S. military. Many Navajo soldiers are recognized in the annals of history for their role as Code Talkers, whereby they used the native language to create a code that was never broken by the enemy. Historians credit the Navajo Code Talkers for helping to win World War II.

The park has many symbolic structures: a circular path outlining the four cardinal directions, 16 angled steel pillars with the names of war veterans, and a healing sanctuary that is used for reflection and solitude that features a fountain made of sandstone. Open daily from 8 a.m. to 5 p.m. For more info call 928-871-6647 or write to Navajo Nation Parks & Recreation Dept., P.O. Box 9000, Window Rock, AZ 86515

## MERRY HEART MEDICINE

**Bar Owner Sues Local Church:** A bar owner started a building to open up his business. A local church started a prayer campaign to block the bar from opening. Work progressed right up till opening week when a lightning strike burned the bar to the ground.

The bar owner sued the church on the grounds that the church was ultimately responsible for the demise of his building, either through direct or indirect means. The church denied all responsibility or any connection to the buildings demise in its reply to the court.

As the case made its way in to court, the judge looked over the paperwork. At the hearing he commented, 'I don't know how I'm going to decide this, but as it appears from the paperwork, we have a bar owner who believes in the power of prayer, and a church congregation that doesn't.' 😊

A Ministry of Faith

Over 500 years ago when the first Europeans came here to "evangelize" the Natives, they came with Biblical ignorance (lacking knowledge). Their message was that there must be a cultural or outward change before a person could come to the Father in Heaven. The results continue to be devastating as very few First Nations people have come to Christ.

This ministry and others have a simple message: You can serve Jesus just the way God created you! He loves you the way you are and does not require that you change your culture before you can receive the free gift of His salvation through Jesus Christ. The Gospel of Jesus, does not demand a change of culture, but a change of heart and by faith, the receiving of Christ's forgiveness and the work of the Holy Spirit. We focus on keeping the main thing - the main thing!

### To enter the Blood Covenant

If you would like to make the wonderful decision to follow the Jesus Way, simply pray this prayer: "Lord Jesus, hear I am; forgive me for not following you earlier. Thank you for delivering me from my haunting past. Take me, I am yours, fill me now with the power of your Holy Spirit as your word says in Acts 1:8, and I will never be the same! AMEN!"
