Restoring the Paths

*W*esyo' (formal greetings) in the mighty name of Yeshua (Jesus), our risen Lord! Over 2000 years ago something happened. Something was given to mankind that permanently changed the course of history for ages to come. That something was an empty tomb!

Yeshua shed his precious blood for us so that we may have an everlasting covenant with the Great Father from above! Three days after He was crucified, Yeshua rose from the dead, therefore creating the empty tomb. What is the significance of an empty tomb? It is because Yeshua is the ONLY man in all recorded history as having risen from the dead. No other "god" from any other religion had done this!

We are told why this was important to our Father in Acts 17:31 **"For he has set a day for judging the world with justice by the man he has appointed, and He proved to everyone who this is by raising him from the dead."** NLT (Emphasis mine)

On April 12th of this year, we will recognize and honor Resurrection Sunday. Let us all meditate and celebrate the new life that Yeshua, our Jesus, gave us through the new covenant. This covenant includes an abundant life of healing, prosperity, deliverance and freedom that starts right now – for those that choose to believe! **(John 10:10)**

Preparing the Highway for our Coming Lord!

*The voice of one crying in the wilderness: "Prepare the way of the Lord; Make straight in the desert a highway for our God. **Isaiah 40:3***

*Go through, Go through the gates! Prepare the way for the people; Build up, Build up the highway! Take out the stones, lift up a banner for the peoples! **Isaiah 62:10***

Now is the time to awaken to Creator God: *"And do this, knowing the time, that now it is high time to awake out of sleep; for now our salvation is nearer than when we first believed. **Romans 13:11** (Emphasis mine)*

Restoring the Paths of Relationships

The Lord revealed to me two years ago that this ministry would play a major part in the rebuilding of broken relationships between the First Nations and the Anglos on Turtle Island. He confirmed His message in **Isaiah 58:12** *"And they that shall be of thee shall build the old waste places: thou shalt raise up the foundations of many generations; and thou shalt be called The repairer of the breach, The restorer of paths to dwell in."*

In the scripture above we see that to restore the paths we must first repair the breach, much like building a bridge from one side to another. Creator wants us to build a bridge from the First Nations to the Anglos and others as we need each other for the Body of Christ to operate in strength! We need each other as Yeshua is coming back for a glorious Church without spot or wrinkle. The Body must be whole!

Let us look at the "treasures" that have been preserved on America's First Nations' reservations and pray that our eyes of understanding will open and appreciate the gifts God has given the Body of Christ through His First Seed; the First People to settle on this land. Why is His First Seed so important? The First Seed is the most likely to "succeed!" Aho!

LESSONS FROM THE NATIVE PATH

Restoring the paths...And they that shall be of thee shall build the old waste places: thou shalt raise up the foundations of many generations; and thou shalt be called, The repairer of the breach, The restorer of paths to dwell in. Isaiah 58:12

Prophecies From The First Nations

Many people in America are not aware of the prophecies that are a part of the spiritual heritage of the First Nations people. There have been many voices of prophecy in America from many of its leaders, both secular and Christian. However, the voice of the First Nations people has seldom been acknowledged or encouraged. As you read through these profound statements, please bear in mind that these words have been in existence for hundreds, if not thousands, of years. Read it from a biblical prospective and you will see that almost all of these have come to pass! Selah.

The Prophecy of the Seven Fires

“Seven Prophets appeared to the people. The First Prophet told the people that in the time of the First Fire they would leave their homes by the sea and follow the sign of the megis. They were to journey west into strange lands in search of an island in the shape of a turtle. This island will be linked to the purification of the earth. Such an island was to be found at the beginning and at the end of their journey. Along the way they would find a river connecting two large sweet water seas. This river would be narrow and deep as though a knife had cut through the land. They would stop seven times to create villages but they would know that their journey was complete when they found food growing on the water. If they did not leave, there would be much suffering and they would be destroyed. And they would be pursued and attacked by other nations along the way so they must be strong and ready to defend themselves.

The Second Prophet told them they could recognize the Second Fire because while they were camped by a sweet water sea they would lose their direction and that the dreams of a little boy would point the way back to the true path, the stepping stones to their future.

The Third Prophet said that in the Third Fire the Anishinabe would find the path to the lands prepared for them and they would continue their journey west to the place where food grows upon the water.

The Fourth Prophet was two who came as one. The first told them to expect a race of people who had light skin. The future of the Anishinabe would be known by the face the light-skinned people would wear. If they come in brotherhood there would be a time of wonderful change. New knowledge would be joined with the old knowledge and the two peoples would join to make a mighty nation. Two other nations would join to make four and they would become the mightiest nation of all. If they brought only their knowledge and their goodwill, they would be like brothers.

The second being of the Fourth Prophet warned the light-skinned race might wear the face of death that would almost look the same as the face of brotherhood. “If they come carrying a weapon and if they seem to be suffering, beware. Behind this face is greed. You shall recognize the face of death if the rivers are poisoned and the fish are unfit to eat.”

The Fifth Prophet said that in the time of the Fifth Fire there will be a struggle between the way of the mind of the light-skinned people and the natural path of spirit of the many nations of natural people. “As this fire loses its heat there will come among the people those who promise great joy and salvation. If the people accept this promise and abandon the old ways, the struggle will continue for many generations. This promise is false and it will nearly destroy those who accept it.”

The Sixth Prophet told them that in the time of Sixth Fire it would be clear that the promise accepted during the Fifth Fire was false. “Those who were deceived by this promise will take their children away from the teachings of the elders. The elders will lose their purpose in life and many will become sick and die. Many people will be out of balance and the cup of life will become the cup of grief.”

The Seventh Prophet was younger than the others who had come and there was a glowing light from his eyes. He said that there would come a time when the waters had been so poisoned that the animals and plants that lived there would fall sick and begin to die. Much of the forests and prairies would be gone so the air would begin to lose the power of life. The way of the mind brought to the red, black, and yellow nation by the white nation would bring danger to the whole earth. In this time there will be a new people who will emerge from the clouds of illusion. They will retrace their steps to find the treasures that had been left by the trail. *Continued, page 3...*

Continued from page 2....

The stories that had been lost will be returned to them. They will remember the Original Instructions and find strength in the way of the circle. Their search will take them to the elders and the new people will ask for guidance. But many of the elders will have walked the Path of the Souls to the Star Web. Many elders will have forgotten their wisdom and they will not be able to help. Some of the elders will point in the wrong direction and others will remain silent because of their fear. Some of the elders will be silent because no one has asked them for their wisdom.

If the New People will find trust in the way of all things, in the circle, they will no longer need the selfish voice of the ego and they can begin to trust their inner voice. Wisdom will once again be found in dreams of the night and of the day. The sacred fire will once again be lit. The Light-skinned People will be given a choice between two paths. If they choose the right path the Seventh Fire will light the Eighth Fire, and final fire of brotherhood and sisterhood. If they choose the wrong path, remaining on the path of the mind, then the destruction they brought with them will come back to destroy them. The people of the earth will experience much suffering and death.”

For those of us that have chosen to follow Yeshua - the Jesus Way, we are not subject to the terrible suffering and death spoken of in this prophecy. For we will have heard that inner voice that confirms **1 Thessalonians 5:9** “For God decided to save us through our Lord Jesus Christ, not to pour out his anger on us.” NLT

Join us in preparing this Highway of the Lord. It will not be built by the wisdom of men. It will not be built with might nor power, but by His Spirit through prayer!

A Ministry of Faith

Over 500 years ago when the first Europeans came here to "evangelize" the Natives, they came with good intentions but also with Biblical ignorance. Their message was that there must be a cultural or outward change before a person could come to the Father in Heaven. The results were and continue to be devastating as very few First Nations people have come to Christ.

This ministry and others have a simple message: You can serve Jesus just the way God created you! He loves you the way you are and does not require that you change your culture before you can receive the free gift of His salvation through Jesus Christ. The Gospel of Jesus does not demand a change of culture, but a change of heart and by faith, the receiving of Christ's forgiveness and the work of the Holy Spirit. We focus on keeping the main thing - the main thing!

MERRY HEART MEDICINE

An elderly woman had just returned to her home from an evening of religious service when she was startled by an intruder. As she caught the man in the act of robbing her home of its valuables, she yelled, "Stop! Acts 2:38!" ("Turn from your sin and be baptized")

The burglar stopped dead in his tracks. The woman calmly called the police and explained what she had done. As the officer cuffed the man to take him in, he asked the burglar, "Why did you just stand there? All the old lady did was yell a scripture to you." "Scripture?" replied the burglar, "She said she had an AX and two 38's! 😊"
