

Call to Prayer

*O*syio (greetings) in the matchless name of Yeshua (Jesus) our Messiah! We pray that you are prospering even as your soul prospers! Spring is a refreshing time of year for all creation. It is symbolic of new life, new beginnings and a chance to start over. It is also the time recognized by believers in Christ Jesus as a time of the final Passover, the once and for all sacrifice that Jesus made for us so we could have a personal relationship with Great Father!

Our new blood covenant with Great Father means He is no longer angry with mankind. He is not the mean old white man's God sitting on His throne ready to slap you down when you do something wrong! **Luke 2:14** says, "Glory to God in the highest, and on earth peace, good will **toward** men." (KJV emp CB) Notice this verse says the angel declared that there is now good will and peace **toward** men - **not among** men. There is no longer a "war" between God and man. Our right standing with Creator is now based on a covenant relationship – not religion. A personal, spiritual relationship with Christ Jesus will set you free! Now that is good News!

Crow Pipe Ceremony
Wado Howard Terpning

White Eagle News is dedicated to bringing Good News to its readers. The secular media will bring you the bad news. Each day we hear of this nation's leaders passing laws and policies that go against biblical principles: Taxpayer-funded abortions, pressuring Israel to give up land that Creator gave them, ungodly

judges in our courts systematically attempting to remove all reference to and influence of God in our society. It's even become politically correct to discriminate against Christians. Christianity is also the **only** religious influence that can be prohibited by law.

So where is the good news in all this? The good news is that all this can be turned around with one simple action by believers in this country – prayer! Godly intervention can turn these things around in a day if we pray... *continued*

Out of the womb of prayer, praise and worship all of the mighty movements of God in the earth are conceived and brought to birth for the glory of God and the good of mankind...Robert Fitts

Call to Prayer continued... Brother Robert Fitts got a word from the Lord several years ago about situations like this: “*Out of the womb of prayer, praise and worship, all the mighty movements of God in the earth are conceived and brought to birth for the glory of God and the good of mankind.*” Notice that the first priority is prayer!

However, there is a right way to pray. James 5:16 KJV says, “...*The effective, fervent prayer of a righteous man avails much.*” The Amplified Bible says, “*The earnest (heartfelt, continued) prayer of a righteous man makes tremendous power available [dynamic in its working].*” Our prayers can be effective and they can be powerful!

What is an effective, powerful way to pray? Always pray according to the Word of God. Then praise Creator for what He has already accomplished through Jesus. Take your place in Christ (see Ephesians 2:2-6) and use your authority as a believer to speak God’s blessing over your nation. Is it that simple? Yes! There is tremendous authority given to us if we will use it and there is awesome power in our blessing!

Honor Jesus by approaching a loving God who has already made every provision for the awakening that will save this nation. Speak words of faith that release the goodness of God, because it is the goodness of God that will bring them to repentance! (Rom 2:4) You can’t get any better news than that! Aho!

Politics and Religion

Do you like discussing politics or religion? Many people are uncomfortable with these two subjects. Politics simply have to do with how we live life on earth now and religion has to do with where we live after we die. So, to avoid the discussion would be rather ignorant. As the Apostle Paul might say, “Brethren, I would not have you ignorant concerning politics and religion.”

Our esteemed Christian friend, Pastor Robert Soto (Lipan Apache of Texas) would not have you ignorant either. However, as God would have it, he may be able to turn this ignorance into gain. Four years ago Pastor Robert had his 42 eagle feathers confiscated by the Federal government during a powwow in South Texas, violating his religious rights as an American Indian.

Pastor Soto is suing in Federal court to not just get back his feathers but for the right to be who Creator God made Indian people to be. He is suing for the right to use sacred objects such as eagle feathers in powwows and ceremonies and to change laws that clearly violate our rights as American Indians.

On March 23, 2010, Pastor Soto came one giant step closer to winning his case against the Department of the Interior. He shared, *"The Federal lawyer tried to convince the judge that this whole issue of the eagle feathers is not a religious rights violation but a political problem. This is what happens when a nation dictates who is and who is not Indian and who has or does not have the right to worship God the Creator as God created us, American Indians. It seemed that they were trying to convince the judge that because it was a political issue, we had no rights to use things like eagle feathers."*

Pastor Robert Soto

The judge (who had done his homework) sided with Pastor Soto and lifted a "stay" the Department of Interior had placed on the case which could have postponed the trial indefinitely. This means that a final decision could be made during the next phase of the trial. Pastor Soto reported that he not only sensed our prayers but knew it was because of prayer that they are one step closer to victory! Praise the Lord!

Please keep Pastor Soto in your prayers for a quick and rightful resolution in this case. Agree that the government no longer has the right to dictate how American Indians worship Creator God. (Please

read Mark 9:38-40) Our culture is different but Christian Natives worship the same Jesus. May our prayers bridge the gulf between the Anglo and First Nations cultures (Isaiah 58:12). We must allow First Nations people to worship Jesus the way God created us. Amen!
